Cracklebox

Cracklebox is a noise making electronic device which generates various sounds and tones when touched by the performer's fingers. It is recommended that each Cracklebox is lightly amplified in the concert.

See the video for instructions how to play Cracklebox:

<https://vimeo.com/anttiauvinen/review/530703015/58cf87791e>

Postcard Weevil

(or any other similar kind of noise making electronic device with on-off switch and audio line out) with Guitar Amp.

Prepare the device so that it generates a sound when switched on. Use the on/off switch for playing as notated in the part. The sound can be modified freely while playing.

See the video for instructions how to play Postcard Weevil:

<https://vimeo.com/anttiauvinen/review/520884509/95cff6706e>

Board Chirper

(or any other similar kind of noise making electronic device with on- off switch and audio line out) with Guitar Amp.

Prepare the device so that it generates a sound when switched on. Use the on/off switch for playing as notated in the part. The sound can be modified freely while playing.

See the video for instructions how to play Board Chirper:

Detailed description: The score is for measures 132, 133, and 134. Measure 132 is in 8/8 time, 133 is in 5/8, and 134 is in 4/4. Percussion I (Perc. I) plays a rhythmic pattern of eighth notes on the rim of the triangle in measure 132, then continues with a melodic line in 133 and 134. Percussion II (Perc. II) plays a similar pattern. The strings (Vln. I, Vln. II, Vla., Vc., Cb.) play a triplet pattern of eighth notes in measure 132, then a different pattern in 133, and finally a sustained note in 134. The guitar (Gtr.) has a melodic line in 132 and 133, followed by an improvisation section in 134. Dynamics include *mp*, *ppp*, *mf*, and *mp*. Performance instructions include 'mute triangle with hand, no timpani resonance' and 'Triangle on the Bass Drum's skin damped'.

The musical score for 'The Rose Tree' is presented in a multi-staff format. The top staff features a complex melodic line with a key signature of one sharp (F#) and a 2/4 time signature. It includes a sequence of eighth and sixteenth notes, with a '6' indicating a sixteenth-note rest. Below this, the score is divided into two systems, each containing two staves. The first system shows a treble and bass staff with a key signature change to one flat (Bb) and a 2/4 time signature. The second system shows a treble and bass staff with a key signature change to two flats (Bb, Eb) and a 2/4 time signature. The score includes various musical notations such as notes, rests, and bar lines, with a '6' indicating a sixteenth-note rest in the first system.

This musical score is for the piece 'L'Espresso' by Luciano Berio. It is a large-scale work for a full orchestra and a piano. The score is written for a large ensemble, including woodwinds (Flute 1 & 2, Oboe 1 & 2, Clarinet 1 & 2, Bassoon 1 & 2, Horn 1 & 2), percussion (Percussion I and II), guitar (Gtr.), violin I (Vln. I), violin II (Vln. II), viola (Vla.), violoncello (Vc.), and double bass (Cb.). The score is written in 4/4 time and features a complex, rhythmic structure. The piano part is particularly prominent, with many notes marked with 'sim.' (sustained) and 'mf' (mezzo-forte). The woodwinds and strings provide a rich, textured background for the piano's melodic lines. The score is written in a standard musical notation style, with a key signature of one flat (B-flat) and a common time signature of 4/4.

617

A musical score page featuring multiple staves for various instruments. The top section includes woodwinds (Flute 1 & 2, Oboe 1 & 2, Clarinet 1 & 2, Bassoon 1 & 2) and Horns 1 & 2, all showing rests. Below them are Percussion I and II, also with rests. The string section follows, starting with Guitar (Gtr.) which has a complex rhythmic pattern. Violins I and II (Vln. I 2, Vln. II 2) have melodic lines with some rests. A group of other strings (altri) is indicated by a brace and plays unison parts marked 'pp'. Viola (Vla.) and Cello (Cb.) parts include triplets and sixteenth-note patterns. The bottom staff shows double bass (Vc.) playing eighth notes. The entire score is set against a background with a large, faint watermark reading 'MusicalScoreCloud.com' diagonally across it.
