FENNICA GEHRMAN

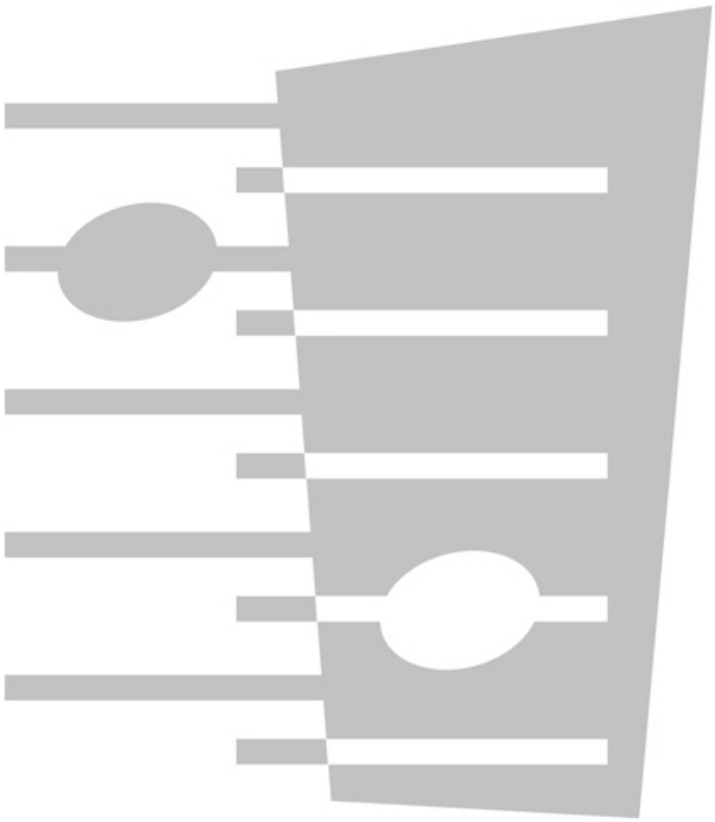
Instructions:

Appoggiaturas are played before the beat. All trills are with minor second. Z on stem refers to flutter tongue for winds and tremolo for strings.

Strings' ricochet (notated with four staccato dots) refers to any number of bounces. If the written note is long in value, the bow simply stays on the string after the ricochet. The hollow notehead for strings is for a "ghost note", a soft noise sound: press the string lightly as if playing harmonics but try to avoid clear pitches.



Written for Adrian Rigopulos and dedicated to Zephyr Fields Rigopulos
